Superseding Sheet No. 90B
Effective October 1-31, 2023

REVISED SHEET NO. 90B
Effective November 1-30, 2023

Purchased Power Adjustment Clause - (continued)

E: Street Light Service Purchased Power Adjustment

Schedule F - per kwh3.4513 ¢/kWh

The total street light service monthly bill shall include the above Street Light Service Purchased Power Adjustment applied to all kWh per month. The above Street Light Service Purchased Power Adjustment is based on recovering \$84,000 for purchased power expenses and related revenue taxes that are not recovered through base rates or the Energy Cost Recovery Factor, (\$1,259) for the third quarter 2023 reconciliation, and \$13,514 for the addition of PGV expenses.

HAWAII ELECTRIC LIGHT COMPANY, INC.

Transmittal Letter Dated October 20, 2023.

SHEET NO. 90C
Effective October 1-31, 2023
Revised September 26, 2023

Purchased Power Adjustment Clause - (continued)

Reconciliation Adjustment:

In order to reconcile any differences that may occur between the above costs to be recovered and the revenues received from the above adjustments, recorded revenues will be compared with the above costs. The Purchased Power Adjustment for each rate schedule will be reconciled quarterly. If there is a variance between the recorded revenues from the adjustments and the costs to be recovered, a reconciliation adjustment, lagged by two months, will be made to the above adjustments.
