Purchased Power Adjustment Clause - (continued)

Reconciliation Adjustment:

In order to reconcile any differences that may occur between the above costs to be recovered and the revenues received from the above adjustments, recorded revenues will be compared with the above costs. The Purchased Power Adjustment for each rate schedule will be reconciled quarterly. If there is a variance between the recorded revenues from the adjustments and the costs to be recovered, a reconciliation adjustment, lagged by two months, will be made to the above adjustments.
